Sri M. S. KRISHNAN.—Sir, there is an important question relating to Mysore–Maharashtra border issue tabled by myself and the hon. Member Sri Sanikop. I would therefore request you to extend the time of the Question Hour and allow us to put that question.

Mr. SPEAKER.—I quite realise the importance of the question and the only point I would request the hon Member to bear in mind is that unnecessary supplementaries should not be put. So, I cannot help. The more important question before the House is the existence of scarcity conditions and the hon. Members are probably very keen on discussing that. So, from tomorrow onwards let us bear in mind to finish the questions in good time.

Sri B. P. GANGADHAR.—Sir, I have given a notice under rule 51 for raising a matter of urgent public importance with respect to the acute scarcity of fodder in the town of Tumkur and in the whole district of Tumkur. That may kindly be taken up.

Mr. SPEAKER.—It has not come to my notice; I shall look into the mater. In the meanwhile, the hon Member may urge that matter in the present debate on scarcity conditions.

Sri M. S. KRISHNAN.—Sir, you were pleased to state that the question hour is over, but, as you know, a number of points of order were raised during the question hour with the result that my question and some other questions could not be reached. My question will lapse today and I cannot raise it for another year.

Mr. SPEAKER.—I cannot help it.

Sri M. S. KRISHNAN.—The Chair can use its discretion and take it up.

Mr. SPEAKER.—If I use discretion in respect of one hon'ble member's question, other hon. Members will make the same request in respect of their questions. So, the next item on the list of business will not come up.

Sri M. S. KRISHNAN.—Most of the questions are of local nature except three or four.
